

CAMP CONNECTIONS

let's go on a virtual adventure!

American Kidney Fund®

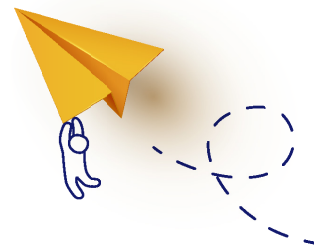

Give your child the gift of **fun and friendship** by enrolling them in **AKF's monthly virtual adventure tailored for pediatric kidney patients.**

Camp Connections brings kids from across the country together through monthly Zoom sessions to form friendships with peers who understand their journey living with kidney disease. With interactive activities like arts and crafts, STEM projects and game nights, your child can enjoy moments of joy, creativity and connection from wherever they are.

Each new camper receives a welcome swag bag to kick off camp and monthly activity kits, and our Camp Connections Facebook group provides an outlet for kids and families to share their experiences, find support and build lasting connections.
